

The Children's Advocacy Center Serving Benton & Linn Counties

2022 Impact Report

OUR MISSION

We work to break the cycle of child abuse and neglect, supporting children as they find their voice and helping children and families heal and thrive.

OUR VISION

We envision a world in which every child has the opportunity to be happy, healthy, and safe; parents and caregivers understand the impact of their actions on children; and our community actively and vocally stands up to child abuse and neglect.

A YEAR IN REVIEW

The past year was jam-packed--2022 was a year that will go down in the books as another record year, including high-demand for child abuse assessment and support services, leadership change, and a 25-year anniversary! Looking back, I see that despite obstacles and challenges, by working together, we can accomplish so much for children in crisis.

Demand for child abuse assessment and support services persisted at a high level throughout the past year. Unfortunately, factors related to the pandemic continue to create the "perfect storm" for child abuse and neglect. The ABC House Assessment Team worked tirelessly to serve every child who walked through our doors. Thanks to you, a record 833 local children and families in crisis received the specialized care and support they needed.

Let me share with you a story that sheds some light on how the complexities of the pandemic can impact our children. Shyanne and Sara (not their real names) live with their mom, a single, working mother. Not long after the pandemic started, their mother lost her job and had no resources to help her family. With no other place to turn, she moved them in with her uncle who offered a place to stay for as long as they needed. This act of kindness, however, turned into a nightmare after both children became victims of sexual abuse by their own family member. School wasn't in session, youth programs were not available, and both girls had nowhere to turn for immediate help. After they disclosed to a friend what was happening to them, they were able to get help and were referred for services at ABC House. Thanks to you, these girls, and so many children like them, had access to essential services targeted for their recovery so they could begin healing.

When we talk about child abuse and neglect, sometimes the problem sounds so big that we can't even take it in or think about it. We try to ignore it and hope the reality of it never touches those we love. But for these two girls, and the hundreds of families every year whose reality it is, their call for help is real, urgent, and amplified. Their calls are answered by caring individuals like you, who are willing to take action and continue fighting on their behalf.

In the short time I've been here, I have learned so much. I have learned that we are much stronger if we work together in the fight against child abuse and neglect. I have learned that our community members are willing to learn ways to prevent abuse if we give them the opportunity. And, I've learned that children can recover from the trauma of abuse if they have the care, support, and tools they need.

I am so grateful to be a part of a group that is passionately dedicated to helping children who have experienced abuse. Every member of the ABC House team pours their heart into their work, and willingly makes sacrifices to help children in crisis. But, we cannot do this work without partners like you! Children and families cannot receive the help they need without contributions from caring donors.

Your giving makes every action we take to help a child in crisis possible. Thank you for refusing to give up on our children when they are at their most vulnerable. Your support means healing and hope for the children and families who enter our doors every day.

As we look forward to our 26th year of service and beyond, I know this will still be true: when we come together, there truly is no limit to what we can accomplish for children impacted by abuse or neglect!

OUR SERVICES

Medical Exams & Consultations

Our medical providers are child abuse experts and remain supportive, objective, and neutral throughout the child's head-to-toe exam. Any physical signs of abuse are documented and may be used as evidence in the abuse investigation. Equally important, children have the opportunity to ask questions about how the abuse may have affected their bodies and development, and to receive reassurance from our trained staff.

933 Medical Services

Forensic Interviews

Forensic interviews are legally justifiable, fact-finding interviews with a child conducted by professionals trained in talking to children to obtain accurate and objective information. The purpose of a digitally recorded forensic interview is to reduce the number of times children need to share their experience.

241 Interviews

Family Advocacy & Support Services

Families receive support to help them cope with the discovery of abuse and navigate at a time when their lives have turned upside-down. Our Advocates provide families with information to help non-offending caregivers understand the child abuse assessment and investigation processes, as well as connect them to any needed community resources.

361 Family Support Sessions

Trauma Counseling

ABC House counselors specialize in trauma treatment to help children and their family members process what has happened to them and move forward. Children learn strategies to help them manage their fear or feelings of being out-of-control when remembering abusive events, and to focus on their own strengths and abilities. These services are offered as long as they are needed.

Community Education & Prevention

As a leading voice on child abuse prevention and awareness, we believe that education is the key to ending child abuse. With a mission centered on breaking the cycle of abuse and neglect, ABC House offers numerous in-person and online safety trainings to the public, free of charge. In 2022, we reached nearly 4,000 children, youth and adults in Linn and Benton Counties - setting a new record for our community education program.

FUNDRAISING EVENTS

ABC House hosts events throughout the year to increase child abuse awareness and raise critical funds, which enables hundreds of children to access vital assessment and support services.

Celebrate Hope

Each spring, ABC House hosts one of Linn and Benton counties' most highly anticipated events. In our second virtual year, Celebrate Hope, presented by Town & Country Realty, raised vital funding to provide essential services to children who have been victimized by abuse and neglect in our community.

\$133,442

Raised

Superhero Fun Run & Walk

Our newest family-friendly event, ABC House held the inaugural Superhero Fun Run & Walk in August of 2022 at the Crystal Lake Sports Field in Corvallis. In anticipation of the event, we were excited to announce our first annual Cape Day for businesses. Businesses had the opportunity to purchase capes for their employees and/or customers to proudly show their support for child abuse awareness and prevention.

\$38,754

Raised

Holly Jolly Online Auction

While this event has evolved over the last few years, between November 20th - December 5th, nearly 200 participants bid in the online auction to support ABC House. The event featured over 100 packages!

\$17,226

Raised

Community Fundraisers

ABC House is fortunate to enjoy the generosity of so many individuals, businesses, and organizations in the community that host several fundraising events. From birthday fundraisers, 50/50 raffles, to generous merchants donating a portion of their sales, all these amazing individuals and groups make healing possible!
